

## FREQUENTLY ASKED QUESTIONS

- ◆ Will my student receive a high school diploma if they enroll in the CVVA?
- ◆ **YES!** Students who enroll in CVVA through the CVUSD Independent Study Program and who meet graduation requirements will receive a high school diploma through Redwood High School. Redwood High School is the official host of the Castro Valley Virtual Academy program.
- ◆ Is there a cost to students to enroll in the Virtual Academy program?
- ◆ **NO!** CVVA classes are free to eligible students! The only cost may be that of an AP Exam for interested students.
- ◆ How do I find out more about the Castro Valley Virtual Academy program?
- ◆ **Contact Erica Ehmman, Principal, at 510-537-3193 or eehmann@cv.k12.ca.us.**

The world awaits our Castro Valley Virtual Academy graduates! Create your college and career prep future now!

## CASTRO VALLEY VIRTUAL ACADEMY CLIFTON CAMPUS

Blended learning may be a viable educational option for students who .....

- ◆ Desire to take responsibility for their education by setting and meeting their own learning goals
- ◆ Prefer a combination of classroom instruction and online learning experiences
- ◆ Desire or require flexible learning schedules
- ◆ Enjoy learning at their own pace—accelerating or taking more time as necessary
- ◆ Prefer to use technology to enhance their learning

## CASTRO VALLEY UNIFIED

## Castro Valley Virtual Academy Clifton Campus

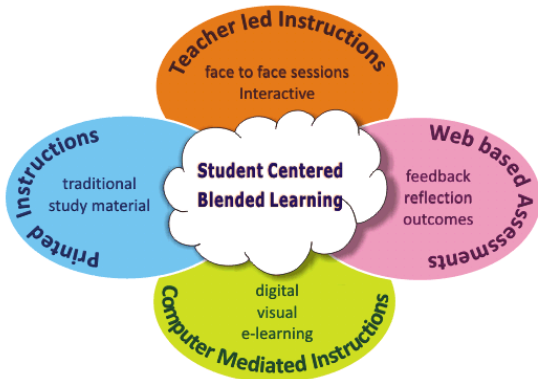

A blended learning college prep high school program featuring online & flexible seat-time instruction

# CASTRO VALLEY VIRTUAL ACADEMY CLIFTON CAMPUS ~ FLEXIBLE LEARNING

## BLENDED LEARNING ~

Blended learning offers students an alternative to a traditional “seat-time” educational program. It allows for a portion of the face-to-face instructional time to be replaced by online learning.

Blended learning provides opportunities for families to accommodate individual student schedules, while continuing to utilize quality instruction and regular student and instructor interaction.

## A FLEXIBLE LEARNING ENVIRONMENT ~

Castro Valley Virtual Academy offers a flexible learning environment:

- ◆ Variety of schedules, start/stop times
- ◆ Blend of online & in-class instruction
- ◆ Standards-aligned college-prep classes
- ◆ High school diploma program
- ◆ Extensive use of technology
- ◆ Weekly math and science labs
- ◆ Frequent assessments
- ◆ AP classes available upon request

High school students take a rigorous program of study with challenging classes in English Language Arts, Mathematics, Science, and Social Science, while adding elective and physical education class choices.

All teachers are credentialed and meet requirements as highly qualified.
